

## About Us

Happy Ice - the pioneer in bringing Frozen vending machine to the mass market in Singapore has collaborated with Kee Song to bring the first ever Frozen Marinated Chicken vending machine to the market.

Kee Song who supplies its chicken to Fairprice supermarkets under the brand name of Sakura have launched 50 units of these machines islandwide to promote healthy Lacto Chicken, which are raised using Kee Song's advanced farming technology.

Lacto Chicken™ are reared in a temperature-controlled and hygiene environment with ample space for them to freely roam about, to the soothing strains of Mozart music. The meat contains less fat and cholesterol, and packs a greater flavour too.
