

HappyIce®

SMART FROZEN
VENDING & SOLUTION

About Us

Happy Ice is the pioneer in bringing Ice cream vending machine to the mass market in Singapore. It developed a small and cost effective ice cream vending machine that can be deployed to the market in large scale. The machine takes up only a tiny foot print size of 71.4cm x 90 cm, which is less than 0.65m². There are about 500 frozen vending machines being deployed across Singapore and Malaysia as of Dec of 2022.
